

3PC COORDINATOR

Are you interested in building an innovative child protection system in Cambodia? Do you enjoy building strong networks between the government, civil sector and donors? Then join us!

You will be joining the multi-disciplinary team of Friends-International (FI) comprised of 500 professionals committed to delivering innovative social services for children, youth and families worldwide.

What will you do?

You will take a leadership role in ensuring different elements of the 3PC network are working together to create sustainable change in service provision to children, youth and their caretakers. You will be building a dynamic network and being the main link between the following stakeholders:

- ❖ 3PC core team as well as FI's technical and administrative support team
- ❖ NGO partners across different provinces in Cambodia
- ❖ Other existing networks of organizations such as *Family Care First* and *GHR*
- ❖ Relevant national and local level government agencies
- ❖ Donors

Your key responsibilities will include the following:

- **Team management:** Ensure high quality work is done by the 3PC core team while providing support to partners and facilitating the network's work
- **Technical support:** Ensure high quality service provision of the network's partners through ongoing technical support in areas of child protection, drugs/HIV/harm reduction, family reintegration, vocational training/employment service, migration etc.
- **Program management:** Provide direction and guidance in implementing yearly strategic activities to ensure a strong and expansive network
- **Representation:** Ensure FI and 3PC network are well represented and build strong relationship with all relevant national level ministries and government agencies. This also includes working closely together with other NGO networks
- **Donor relationships:** Work closely with our key donors (UNICEF, EU, GF) and ensure strong and ongoing partnerships. This also includes working with the Partnerships team on finding new donors and expanding the 3PC network
- **Budget management:** Ensure smooth operation and transparency at all levels of spending for 3PC activities

About you

- You are a dynamic and proactive leader who enjoys bringing multiple teams together
- You have a strong presence and confidence to lead national level discussion with government officials
- You are passionate about building and growing your team members
- You have good understanding of the child protection system in Cambodia
- You have the strategic vision to spot potential new opportunities to further develop your program
- You are a native Khmer speaker; fluent in written and spoken English.

This is a full time position based in Phnom Penh with occasional travel to the provinces. Salary and benefits will be commensurate with qualifications and experience.

What do we do?

Friends-International is a social enterprise that works with marginalized urban children and youth, their families and communities, to help them become independent and productive citizens of their country.

We drive an innovative network of government and non-government organizations working together to solve the problems children and youth face worldwide. The objective is to significantly improve the quality and impact of services to marginalized urban children and youth and related groups through an effective network of internationally recognized organizations. We have developed a holistic social integration cycle that is based on individual and community needs to achieve best practice methods directly or in collaboration with partners.
