

## We are looking for a GRAPHIC DESIGNER @

#job #creative #graphicdesign #unlimitedcreativity #problemsolver #designthinker

Are you up for a challenge? Want to combine your design thinking with creating a positive impact? Ready for the next step? Here's what we are looking for:

- You are a design thinker with an interest to learn and grow
- Strong knowledge in page layout & design communication
- Organization to handle multiple tasks, ability to lead projects from concept to final, and able to manage your time schedule to keep the project within requested deadline
- Experience working with the Adobe programs: Illustrator, Indesign, and Photoshop (*web knowledge a plus*)
- You have a passion for children's wellbeing
- Native Khmer speaker with good English skills

By joining the design team at Friends-International you will be involved with a variety of large scale projects from those in the social category to ones in social business. You will work directly under the Senior Creative to support the design department by meeting with other teams to receive, conceptualize, develop, create, and deliver a final product within the agreed timeline. This is a fast-paced position, which will require a strong understanding of graphic design from branding to page layout but may also include work in the following fields: interior design, product design, event design, illustration, and web (these are not required but always a plus). We are requesting you to be a native khmer speaker with strong english skills.

With growth into your position, this job will also require you to help build the skills of our design interns, under the overall supervision of the Senior Creative Designer.

Sounds good? Email your CV and portfolio to [hr@friends-international.org](mailto:hr@friends-international.org) and let's talk more. (If your portfolio exceeds 10mb please send us a link to download your work. This file should not exceed 15mb)
