# MARKETING COORDINATOR

Hello From Friends-International

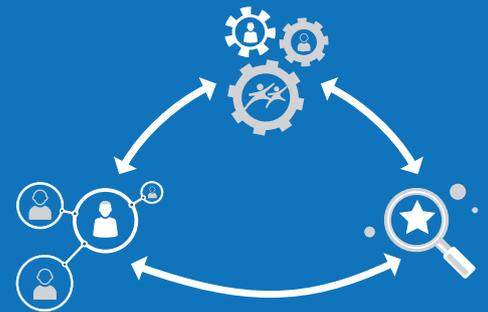

Are you feeling stuck in a routine? Up for a challenge? Want to work for a business that provides vocational training and builds future for marginalized youth and their caretakers?

If you answered 'yes' to any of the above then you may just be the person we are looking for.

What about these? Think you'd fit?

- You have a strong business mind-set and proven experience in a commercial environment
- You are highly experienced in creating marketing plans doing sales analysis and Go to market launches.
- You have a strong passion for businesses making a positive social and environmental impact
- You're excellent in coordinating with multiple teams in a multicultural setting
- You have a solid understanding of hospitality and the retail industry including forecasting trends.
- You're a native Khmer speaker and your English is excellent

We would like someone to coordinate marketing efforts for two of our major training business units – restaurants (we have 6 spread across Southeast Asia) and Friends 'n' Stuff shops (we have 3 across Cambodia). You'd be boosting sales of our restaurants which train young people in cooking and hospitality while at the same serving a plethora of international and Asian dishes and drinks to customers from all over the world. You'll also be driving people into our shops and making sure they buy all of the products made by the caretakers as part of their skills training. Our teams across the board (Design, Production, HR, Finance, Communications etc.) will be supporting you in these efforts and together we'll ensure that young people and their caretakers are landing awesome jobs and becoming independent citizens.

**Sounds good? Awesome! E-mail your CV now to [hr@friends-international.org](mailto:hr@friends-international.org) and let's talk more!**

*Friends team*
