# TECHNICAL COORDINATOR (Siem Reap)

Hello from Friends-International 

Are you feeling stuck in a routine? Up for a challenge? Want to support our field based teams in building futures for children&youth?

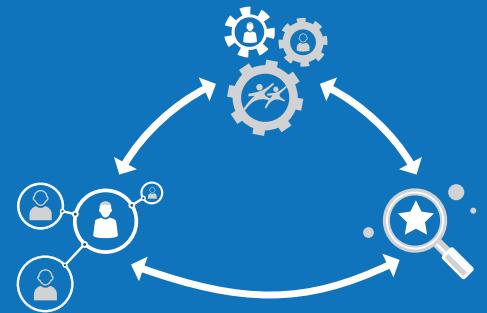

If you answered 'yeah' to any of the above then you may just be the person we are looking for.

What about these? Think you'd fit?

- Dynamic and passionate about child protection and building futures of marginalized children, youth and their families
- You are experienced in designing log-frames, writing reports, doing assessments, budgets
- You're skilled in data collection systems and analysis
- You're excellent in communicating and coordinating with people from various backgrounds
- You have superb English writing skills

We would like someone to work closely with our program and partners in Siem Reap and support them in ensuring high quality program management. This is a technical support role that will be exciting for someone looking to be based close to the teams and activities on the field. You'll work on building a system of holistic services consisted of topics such as child protection, harm reduction, alternative care, employment and self-employment, NGO networks, social business etc.

Sounds good? Awesome! E-mail your CV now to [hr@friends-international.org](mailto:hr@friends-international.org) and let's talk more!
