HELLO FROM FRIENDS-INTERNATIONAL

WE ARE LOOKING FOR AN
IT&NETWORK ADMINISTRATOR

Are you interested in making a positive social impact in Southeast Asia? Would you like to use your IT skills in supporting our teams to save lives and build futures of children & youth?

If you answered ‘yes’ then you may just be the person we need.

What about these? Think you’d fit?

• You have basic skills in fixing up a PC or a laptop
• You have some experience in maintaining a network and traffic of 50+ IT users
• You know how to make sure these ones are working well:
  - Window Server 2003 & 2008, CISCO (CCNA1, CCNA2)
  - Network services: WAN, LAN, DNS, DHCP, AD, NAT, VPN
  - Network devices: NAS, CISCO Router, MikroTik Router, PABX
• You are well organized and you enjoy supporting others with your IT solutions
• You are a dynamic team player that enjoys a busy working environment
• You have a strong commitment to work in building futures for children, youth, their families and their communities

YES? Then what are you waiting for!

We would like to give an opportunity to someone at the start of their career to join our team and provide IT support to Friends-International’s team in Phnom Penh, as well as remote assistance to our teams in Thailand, Laos, Indonesia and Myanmar! You will be working within a multicultural and diverse team consisted of more than 300 #EverydayHeroes.

SOUNDS GOOD? Awesome! Please email your CV now to hr@friends-international.org and let’s talk more.

All applicants will undergo an extensive background check in compliance with our Child/Beneficiary Protection Policy and PSEA Policy.
