Hello from Friends-International We are looking to hire someone for an IT POSITION

Are you looking to start your career in IT? Do you enjoy learning new things and are you up for a challenge? Would you like to use your IT skills in supporting our teams to save lives and build futures of children & youth?

If you answered 'yes' then you may just be the person we need.

What about these? Think you'd fit?

- You have basic skills in fixing up a PC or a laptop
- You have some experience in maintaining a network and traffic of 50+ IT users
- You know how to make sure these ones are working well:
 - Window Server 2003 & 2008, CISCO (CCNA1, CCNA2)
 - Network services: WAN, LAN, DNS, DHCP, AD, NAT, VPN
 - Network devices: NAS, CISCO Router, MikroTik Router, PABX
- You are well organized and you enjoy supporting others with your IT solutions
- You enjoys a busy working environment that can improve your knowledge and skill
- You have a strong commitment to work in building futures for children, youth, their families and their communities

YES? Then what are you waiting for!

We would like to give an opportunity to someone who is a fresh graduate and has some working experience to join our team and provide IT support to Friends-International's team in Phnom Penh, as well as remote assistance to our teams in Thailand, Laos, Indonesia and Myanmar! You will be working within a multicultural and diverse team consisted of more than 300 #EverydayHeroes.

SOUNDS GOOD? Awesome! Please email your CV and cover letter now to hr@friends-international.org and let's talk more.

All applicants will undergo an extensive background check in compliance with our [Child/Beneficiary Protection Policy](#) and PSEA Policy

Friends team
