Hello from Friends-International We are looking for an IT INTERN

Are you looking for an IT Internship? Do you enjoy learning new things and improving your IT skill? Would you like to use your IT skills on supporting our teams to save lives and build futures of the next generation?

If you answered 'yes' then you may just be the person we need.

What about these? Think you'd fit?

- You have a basic understanding of computer network cabling and network file
- You are familiar with Java, .NET, JavaScript or HTML/DHTML and Microsoft Office Suite
- You are enjoy to support IT team with maintenance of hardware, software and other systems
- You can assist with troubleshooting issues and provide technical support
- You are available and willing to commit at least 6 months in internship
- You are friendly and good in communicating with others
- You are happy to learn from other and commit to work on supporting marginalized group

YES? Then what are you waiting for!

We are looking for someone who is undergraduate or fresh graduate on IT to work as IT Intern. This internship offers practical work experience, an introduction to IT support and an opportunity to gain experience with the technical operations of Friends-International. This internship will involve challenging opportunities and interaction with staff. This is a great opportunity to gain hands-on experience in the computer field. You will be working within a multicultural and diverse team consisted of more than 400 #EverydayHeroes.

Sounds good? AWESOME! Please email your CV now hr@friends-international.org and let's talk more.

All applicants will undergo an extensive background check in compliance with our Child/Beneficiary Protection Policy and PSEA Policy.

Friends team
