## Hello from Friends-International We are looking for an IT SUPPORT OFFICER

Are you looking to start your career in IT in a dynamic working place? Do you enjoy learning new things and are you up for a challenge? Would you like to use your IT skills in supporting our teams to save lives and build futures of children & youth?

If you answered 'yes' to any of the above then you may just be the person we need.

What about these? Think you'd fit?

- You have basic skills in fixing up a PC or a laptop
- You have some experience in maintaining a network and traffic of 50+ IT users
- You know how to make sure these ones are working well:
  - Window Server 2003 & 2008, CISCO (CCNA1, CCNA2)
  - Network services: WAN, LAN, DNS, DHCP, AD, NAT, VPN
  - Network devices: NAS, CISCO Router, MikroTik Router, PABX
- You are well organized and you enjoy supporting others with your IT solutions
- You have ability to work independently under minimal supervision
- You enjoy a busy working environment that can improve your knowledge and skill
- You speak English well and enjoy interacting with people from varied cultural backgrounds
- You have a strong commitment to work in building futures for children, youth, their families and their communities

YES? Then what are you waiting for!

We would like to give an opportunity to someone who is a fresh graduate and as well as has some working experience to join our team and provide IT support to Friends-International's team in Phnom Penh, as well as remote assistance to our teams in Thailand, Laos, Indonesia and Myanmar! This position is for someone who is looking for a long-term commitment. You will be working within a multicultural and diverse team consisted of more than 400 #EverydayHeroes.

Sounds good? AWESOME! Please email your CV now [hr@friends-international.org](mailto:hr@friends-international.org) and let's talk more.

All applicants will undergo an extensive background check in compliance with our Child/Beneficiary Protection Policy and PSEA Policy.
