Hello from Friends-International We are looking for a **FUNDRAISING OFFICER**

Are you feeling stuck in a routine? Up for a challenge? Want to work with our teams in building funding partnerships so we can support more children, youth and their families?

If you answered 'yeah' to any of the above then you may just be the person we need.

Does this describe you?

- You enjoy working directly with local donors (businesses & individuals) and fostering relationships with them
- You're good in communicating and coordinating with people from various backgrounds
- You're a dynamic team player and passionate about child protection and building futures of marginalized children, youth and their families
- You have great English language skills and Khmer is your mother tongue

This is an exciting opportunity for a talented partnership builder looking to be based close to the teams and activities in the field. You will be the link between the various projects in Cambodia and our existing or new corporate partners – fostering the relationship and ensuring our teams continue to save lives and build futures! You'll be also fundraising for Friends' programs and campaigns which cover a great variety of carefully integrated projects including child protection, harm reduction, alternative care, employment and self-employment, NGO networks, vocational training business and more.

Sounds good? YES! Please email your CV now to hr@friends-international.org and let's talk more.

All applicants will undergo an extensive background check in compliance with our Child/Beneficiary Protection Policy and PSEA Policy.
