Creating a Team

If you want to run with a group of friends you can create a team on SimplyGiving. Choose "Team - Team of Individuals" on the page type.

Fill out the details of your team and page name - you can even customise your URL to make it easy and fun to remember!
You can create a team story sharing why #RunWithFriends is important to you.

At the bottom of the page, you can invite the people you want in your team. They will be sent a link to set up their profile and become a team member.

**Note:** You can come back to this and invite more people throughout the campaign!
Your friends and future team mates will receive an email like this with a link to join your team.

They can then follow pages 2-4 of this guide to set up their own page.

7 TOP TIPS

We know that fundraising can be daunting, but all you need is a positive attitude and little creativity!
To get things started, try one of these easy ideas:

1) EMAIL, EMAIL, EMAIL
Write down a list of friends, family, neighbors or colleagues that you feel comfortable asking for support. Don’t forget to include a link to your SimplyGiving page! Also use traditional letter writing, the personal touch goes a long way!

2) GET SOCIAL
Share your fundraising efforts with your social media networks! Ask for specific amounts and use pictures to engage your friends and family!

3) BUCKET COLLECTION
Ask local businesses if you can leave a collection bucket with them - don’t forget to write your reasons for fundraising on it! Why not get door knocking too?

4) PLAN A MOVIE MARATHON
Invite your friends and family to an evening of films, popcorn & snacks. Charge an entrance fee or perhaps get charge extra to request a specific movie.

5) HAVE A BAKE SALE
If you can’t bake, why not invite your friends to make their favorite sweet treats and then sell them to your neighbors, in the office, at a community center, or at a community event!

6) SELL YOUR RACE TIME
Challenge your friends and family to guess your finishing time on race day. Charge them per guess and the closest guess wins a home-cooked meal or sweet treat!

7) ORGANIZE TRIVIA NIGHT
Find your local bar, cafe or even community center and ask them if you can host a trivia night. Build your list of trivia questions and advertise your event on social media. Charge each person to participate.
Subject: Help me build futures for youth in Southeast Asia!

Hi [add name],

I’ve just started signed up to race with Friends-International at the [insert appropriate race]. I’ve already started training, but now I’m asking my friends and family for their support.

Why am I running with Friends? It’s simple! Their work makes a dramatic difference across Southeast Asia. Last year, Friends supported over 84,000 children and caregivers across the region, with 7000 children supported back into education and more than 1500 young people in training or on employment placements!

Here are just a few examples of the real impact any donation can have:

- $10 - health care for one student for a month
- $25 - one school kit for a child to go to school
- $50 - a month of vocational training for one student
- $120 - provides accommodation and food to a student for a month
- $250 - cost to launch a caregiver’s small business

The race is on [insert appropriate date] - that’s only [add number] weeks away! To help me reach my goal of [insert dollar goal], please consider making a donation on my campaign page: [add link to your SimplyGiving page]

Any contribution you’re able to make will be greatly appreciated!

Thank you,
