CHILDSAFE PROJECT OFFICER

HELLO FROM FRIENDS INTERNATIONAL

Do you strongly care about the protection and well-being of children and youth? Are you experienced in creating strong trusting relationships with local communities as well as local businesses and schools? Would you like to work on creating a safer and supportive environment for everyone?

If you answered 'yes' then you may just be the person we need. Friends consist of multiple dynamic teams that are delivering innovative services for children, youth, their families and their communities. Together with our partners, we are creating a system that will provide protection to those in need and support people to become productive citizens of their country.

Does this describe you?

- You are friendly enjoy interacting with a diverse group of people
- You have strong experience in presenting or training groups and individuals
- You have good skills in organizing people for events such as meetings, training or workshop
- You enjoy sharing information to others directly or on social media
- You are a native Khmer speaker with good English speaking and writing skills

By doing this we are also creating a limitless platform for our teams and partners to learn from their work and each other – making learning opportunities everywhere! We are now expanding our ChildSafe Program and looking for new team members in Siem Reap. You would be working with individuals such as community leaders, partners, tuk-tuk drivers, hospitality workers, tour leaders – anyone who is willing to join us so that we can work together to keep children safe! We would like you to share information and messages about ways to protect children through training, campaigns and social media. You would be working alongside a multidisciplinary team of over 300 #EverydayHeroes spread across Cambodia, Thailand, Laos, Indonesia and Myanmar! Together, we will be providing services to children, youth, families and communities in projects on topics such as child protection, education, family reintegration, vocational training and employment so they can build their futures!
