Hello from Friends-International We are looking for a MEL TECHNICAL ADVISOR

Are you skilled in providing technical support to organizations, such as facilitating the design of log frames for proposals and training on evaluation methodologies? Up for a challenge? Would you be excited to work with our teams in the field on improving their measurement of social impact?

If you answered 'yes' to any of the above then you may just be the person we need.

Does this describe you?

- You have a postgraduate qualification in monitoring and evaluation or a related subject, or equivalent professional experience;
- You have prior experience in an MEL function (creating data collection systems, generating high quality quantitative reports, supporting research and proposal writing) in an organization working in social development or similar;
- You enjoy facilitating trainings, meetings and procedures in a participatory style;
- You are comfortable working with external stakeholders such as donor agencies, government, NGO partners;
- You have a strong commitment to work on building futures for children, youth their families and their communities;
- You have excellent skills in writing and speaking English, as well as superb computer skills. Knowledge of Khmer or French is a plus.

YES? Then what are you waiting for!

As part of our HQ MEL team which provides technical support for all Friends Alliance programs we are now looking for someone to directly build and maintain MEL systems across all our locations. You will be working with our program management and MEL teams to ensure best practice monitoring and evaluation is being carried out and that accurate and consistent information is being used to measure the results of our work, contributing to the creation and supporting the roll-out of new MEL systems and processes and providing advice and feedback on indicator development, monitoring and evaluation plans, logical frameworks and other aspects of program and proposal development to our teams. You will also take on the role of report coordinator for some cross-program/regional projects where requested, responsible for bringing together donor reports and monitoring progress to targets, supporting donor relations. You'll be involved in projects working on child protection, drugs, health, education, alternative care, employment and many others together with more than 400 #EverydayHeroes in Cambodia, Thailand, Laos, Indonesia and Myanmar.

Sounds good? SUPER! Please email your CV and cover letter now to hr@friends-international.org and let's talk more.

All applicants will undergo an extensive background check in compliance with our Child/Beneficiary Protection Policy and PSEA Policy.

Friends team
