SOCIAL WORK POSITION

HELLO FROM FRIENDS INTERNATIONAL

Are you interested in delivering innovative social services for children & youth, their families and their communities? Are you a dynamic person who is passionate about working directly in the field? Up for a challenge?

If you answered 'yes' to some of these then you may just be the person we need.

How about these responsibilities? Would you enjoy them?

- Doing outreach in the field such as streets, communities, and connecting with those who need medical social services and psychosocial support
- Working together with communities to ensure children and youth are safe from any type of abuse
- Support families and children to safely continue their education and enrol into public schools
- Provision of Life Skills education on topics such as reproductive health, nutrition and parenting
- Providing counselling and psychosocial support to families, children and youths you work with
- Building strong relationships with local authorities, NGO partners, schools to make sure everyone is working together
- Coordinating with the team to make sure action plans are running well for individuals and families through regular information sharing and support
- Keeping track of activities and preparing reports so you can measure and improve the impact of your work

Friends consist of multiple dynamic teams that are delivering innovative services for children, youth, their families and their communities. Together with our partners, we are creating a system that will provide protection to those in need and support people to become productive citizens of their country.

By doing this we are also creating a limitless platform for our teams and partners to learn from their work and each other – making learning opportunities everywhere! We are now expanding our services and looking for new team members in Siem Reap. You would be working alongside a multidisciplinary team of over 300 #EverydayHeroes spread across Cambodia, Thailand, Laos, Indonesia and Myanmar!

Together, we will be providing services to children, youth, families and communities in projects on topics such as child protection, education, family reintegration, vocational training and employment so they can build their futures!
