Hello from Friends-International We are looking for an IT INTERN

Are you looking for an IT Internship? Do you enjoy learning new things and improving your IT skill? Would you like to use your IT skills on supporting our teams to save lives and build futures of the next generation?

If you answered 'yes' then you may just be the person we need.

What about these? Think you'd fit?

- You have a basic understanding of computer network cabling and network file
- You can assist the IT team with troubleshooting issues and provide technical support
- You enjoy supporting the IT team with the maintenance of hardware, software
- You are committing to learn new things related to IT for at least 6 months in an internship
- You are keen to find practical work experience and to gain more knowledge of IT
- You are friendly and good at communicating with others
- You are committed to working on supporting marginalized group

We are looking for someone who is undergraduate or fresh graduate on IT to work as IT Intern. This internship offers practical work experience, an introduction to IT support and an opportunity to gain experience with the technical operations of Friends-International. This internship will involve challenging opportunities and interaction with staff. This is a great opportunity to gain hands-on experience in the computer field. You will be working within a multicultural and diverse team consisted of more than 400 #EverydayHeroes.

Sounds good? AWESOME! Please email your CV now hr@friends-international.org and let's talk more.

All applicants will undergo an extensive background check in compliance with our Child/Beneficiary Protection Policy and PSEA Policy.

Friends team
