Our vision is a world where every child, young person, and their caregivers are safe from harm and can access education, training and job opportunities to fulfill their potential as productive, functional citizens of their countries. Our multiple dynamic teams consist of more than 300 #EverydayHeroes based in Cambodia, Thailand, Laos, Indonesia, Myanmar and Europe. Together with our partners, they deliver innovative services for children, youth, their families and their communities. This is done through our Saving Lives, Building Futures and ChildSafe programs which cover a great variety of carefully integrated projects including child protection, migration, harm reduction, education, alternative care, vocational training, social businesses, employment, NGO networks and more!

THE ROLE

As a Beauty and Barber Advisor volunteer, based in our HQ in Phnom Penh, you will be transferring technical and soft skills to youth and caretakers who wish to become beauty and barber professionals. Your work will enable our students to find employment or start their own businesses, after completing the training course. You will be working directly with teams in Beauty Salons, Barber Shops and Friends Futures Factory (F3) community centres which are all based at Friends' projects throughout Cambodia and the region. This is an exciting opportunity for an experienced professional, looking to share their skills with others and support them to build their futures and become independent.

- You are available to volunteer for at least 10 hours per week for a period of 3 or more months
